Big Reductions on Summer Goods.

Early to reduce prices on summer needs, but that is just what we have done. As our prices were already a good deal lower than any other furniture house quotes, a big cut-such as we have now madebrings them down to a level that has seldom been known. All essentially summer goods participate in the reduction-Refrigerators and Ice Chests-Mattings-Porch and Garden Furniture, and the cool Rattan and Reed Suites, Rockers, Tables, etc. If you are furnishing a cottage this is indeed a "boss" opportunity. As usual, we place our liberal credit terms at your disposal without extra cost.
